I. Welcome/Call to Order/Introductions:

Mr. Wallace called the special meeting of the Metro Richmond LHRC to order at 6:24 p.m.

II. New Business:

- Kenneth Anderson, Clinical Director for Y-Capp and the CEO John Coleman requested the special meeting of the LHRC for the purpose of presenting information on the new residential services for intellectually disabled adults that Y-Capp is requesting to affiliate under the umbrella of Y-Capps services with the Metro Richmond LHRC.
- Mr. Anderson provided information and answered questions about the new residential Group Home program to be called Hosanna House. The home will be staffed by two individuals at all times and may serve up to seven male and female, intellectually disabled adults. Mr. Coleman stated the DBHDS Office of Licensure has approved the operation for three homes however, as this is a new venture Licensure is requesting that Y-Capp open one home at this time. Y-Capp indicated that the hope is to have one home for adult males and one serving adult females. The Hosanna House will be located at 720 Turner Road in Richmond VA and the projected date for serving consumers is July 15, 2012.
- A Motion to approve The new Y-Capp Services (passed unanimously)
- Mr. Wallace, Chair of the Metro Richmond LHRC adjourned the meeting at 6:55PM
